## Attacks from the Gaza Strip and the Sinai Peninsula

in March 2019, compared to February

## Indirect Fire from the Gaza Strip and the Sinai Peninsula

In March 2019, 41 rocket-launching\* attacks were directed from the Gaza Strip at Israel, compared to just two such rocket-launching attacks in February.

**\*Clarification:** The number of launchings is the number of rockets/mortar shells actually launched during one indirect fire attack. For example: one attack may consist of three launches, that is, three rockets / mortar shells, and so it will be counted as one attack and three launches.
